

# **Heart Defibrillator.**

**The defibrillator has now been installed. It is on the wall of the Methodist School Room in Chittlehampton, under the Parish Council Notice Board. In the event of a heart problem phone 999 for an ambulance which will be sent as normal. You will also be told that there is a defibrillator in your area and will be given the code to open the case housing the defibrillator. Ten people have been fully trained in the use of the defibrillator and are fully covered by the NHS Liability Insurance.**

**They are as follows and should be contacted in the following order and will attend with the defibrillator.**
